CANINE CARE NUTRITION

PRODUCT BOOK

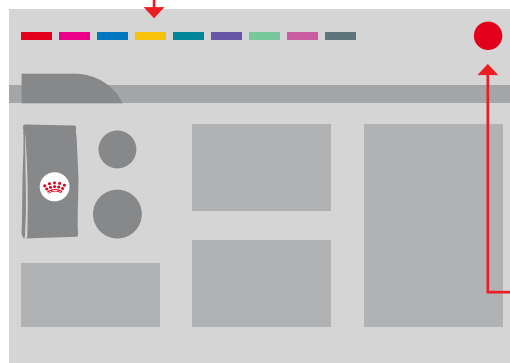

HOW TO USE THIS DOCUMENT

NAVIGATION:

Elements of this document are clickable and you can use them to navigate through the document with ease.

You can click on each Canine Care Nutrition category on page 3 to jump to the start of that category.

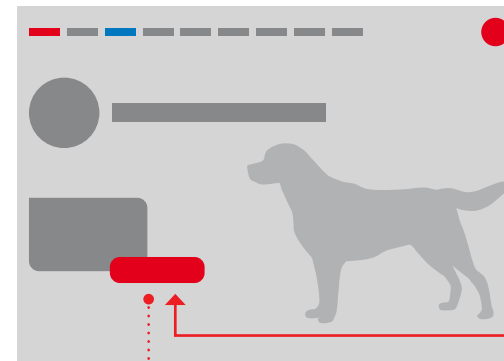

From page 7, you will notice the names of each Canine Care Nutrition category on the top of the page. Click on these to skip to a different category in the document.

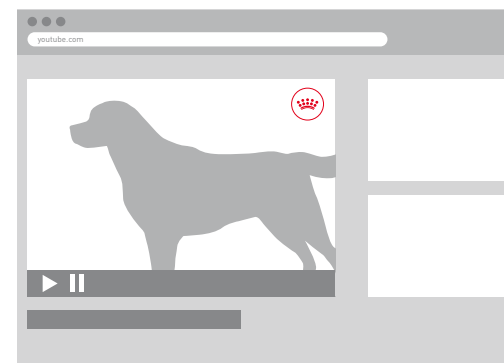

Click on the crown to jump back to the contents on page 3.

EXTERNAL MEDIA:

The introductory pages of each Canine Care Nutrition category include a button to view more information online.

Click on the button to view the product video related to the category. Make sure you are connected to the internet.

A *YouTube* page will open up in which you can view the product video (you might be prompted to grant permission for this first).

SOCIAL MEDIA:

At the end of this document, you will see a Facebook and YouTube icon that you can click on to view our respective pages.

CCN RANGE:

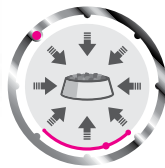

EXIGENT

A PRECISELY FORMULATED NUTRITIONAL SOLUTION FOR SMALL FUSSY DOGS.

RECOMMENDED USE:

- ▶ Small breed dogs with a fussy appetite

EXIGENT**MINI**For small dogs with fussy appetites
Up to 10 kg**SATISFIES
A FUSSY
APPETITE**[Available in
1 kg, 3 kg]**• SATISFIES A FUSSY APPETITE**

Featuring ingredients and high quality proteins specially selected for small dogs, MINI EXIGENT has an aroma irresistible to the fussiest of eaters. The size, shape, and density of MINI EXIGENT kibble has been specially designed for miniature jaws. With a pillow-shaped kibble that has a crunchy outside and a soft inside, every piece has an appetizing texture your dog will love.

*Royal Canin internal study

HOW ELSE CAN YOU HELP YOUR DOG?

Feed your dog at regular times. Train your dog to eat his real food and not snacks without fussing, which is better for everyone's wellbeing. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS**Composition**

Dehydrated poultry protein, animal fats, rice, vegetable protein isolate*, precooked wheat flour, maize flour, hydrolysed animal proteins, vegetable fibres, beet pulp, minerals, fish oil, fructo-oligo-saccharides, borage oil, marigold extract (source of lutein).

*L.I.P.: protein selected for its very high assimilation.

Additives (per kg)

Vitamin A: 29500 IU, Vitamin D3: 800 IU, E1 (Iron): 38 mg, E2 (Iodine): 3.9 mg, E4 (Copper): 12 mg, E5 (Manganese): 50 mg, E6 (Zinc): 133 mg, E8 (Selenium): 0.08 mg - Preservatives - Antioxidants.

DERMCOMFORT

A PRECISELY BALANCED NUTRITIONAL FORMULA CONTAINING HIGH-QUALITY NUTRIENTS CALIBRATED FOR DOGS' SENSITIVE SKIN AND HELP MAINTAIN A FULL, HEALTHY COAT.

RECOMMENDED USE:

- > Dogs prone to skin irritation and itching
- > Dogs with dry or sensitive skin
- > Dogs with mild signs of skin irritation
- > Dogs with poor coat quality

DERMACOMFORT

MINI

For dogs prone to skin irritation and itching
Up to 10 kg

REDUCED ALLERGEN FORMULA

Available in
1 kg, 3 kg, 8 kg

REDUCED ALLERGEN FORMULA

Nutritionally formulated with omega-3 & 6 fatty acids, including GLA, EPA and DHA to help support and nourish his skin. Formulated to care for your dog's skin and help him maintain a full, healthy coat.

*Royal Canin internal study

HOW ELSE CAN YOU HELP YOUR DOG?

You can help protect your dog's skin by keeping his bed and favorite resting places clean. This helps remove dust and dandruff, a breeding ground for itchy parasites. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Rice, vegetable protein isolate*, wheat, animal fats, maize gluten, husked oats, maize, hydrolysed animal proteins, minerals, soya oil, beet pulp, fish oil, flax seeds, fructo-oligo-saccharides, mono - and diglycerides of palmitic and stearic acids esterified with citric acid, borage oil, marigold extract (source of lutein).

*L.I.P.: protein selected for its very high assimilation.

Additives (per kg)

Vitamin A: 29000 IU, Vitamin D3: 800 IU, E1 (Iron): 67 mg, E2 (Iodine): 5.4 mg, E4 (Copper): 13 mg, E5 (Manganese): 66 mg, E6 (Zinc): 146 mg, E8 (Selenium): 0.17 mg - Preservatives - Antioxidants.

JOINT CARE

A PRECISELY BALANCED NUTRITIONAL FORMULA TO HELP SUPPORT JOINT HEALTH.

RECOMMENDED USE:

- > Large breed dogs prone to joint sensitivity
- > Very active large breed dogs
- > Large breed dog's showing first signs of mild joint stiffness

JOINT CARE

MAXI

For dogs prone to joint sensitivity
From 26 to 44 kgEASES
MOVEMENTAvailable in
3 kg, 10 kg

• EASES MOVEMENT

Joint Care is formulated to provide advanced nutrients, including collagen, to support cartilage during the ageing process and maintain healthy bones and joints. The formula also has fewer calories to support a healthy weight and limit pressure on the joints.

*Royal Canin internal study

HOW ELSE CAN YOU HELP YOUR DOG?

Keep your dog active with regular exercise, but avoid stressing his joints with high-impact jumping or sudden stopping and starting. It's also important to keep your dog's weight down, as extra pounds put extra strain on his joints. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Maize, dehydrated poultry protein, wheat, animal fats, vegetable fibres, vegetable protein isolate*, maize flour, rice, hydrolysed animal proteins, maize gluten, beet pulp, fish oil, yeasts and parts thereof, minerals, soya oil, hydrolysed collagen (0.84%), marigold extract (source of lutein), hydrolysed cartilage (source of chondroitin).

*L.I.P.: protein selected for its very high assimilation.

Additives (per kg)

Vitamin A: 16500 IU, Vitamin D3: 1000 IU, E1 (Iron): 42 mg, E2 (Iodine): 4.2 mg, E4 (Copper): 13 mg, E5 (Manganese): 55 mg, E6 (Zinc): 141 mg, E8 (Selenium): 0.08 mg - Technological additives: Clinoptilolite of sedimentary origin: 10 g - Sensory additives: green tea extract (source of polyphenols): 2.5 g - Preservatives - Antioxidants.

STERILISED

A PRECISELY BALANCED NUTRITIONAL FORMULA TO HELP SUPPORT A HEALTHY WEIGHT IN STERILISED DOGS.

RECOMMENDED USE:

- Sterilised dogs in need of weight control

STERILISED

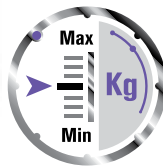

MINI

For sterilised adult dogs
Up to 10 kg

PROVEN RESULTS
-14% CALORIES

MAINTAINS IDEAL WEIGHT

Available in
1 kg, 3 kg, 8 kg

• MAINTAINS IDEAL WEIGHT

Combination of high protein content (30%) and moderate fat intake (13%) that helps maintain an ideal weight. Designed for small neutered dogs, the nutritional profile is enriched with L-Carnitine and features gut-healthy fibre so your dog enjoys the same volume of food while reducing his calorie intake.

**Compared to maintenance product (Mini Adult)*

HOW ELSE CAN YOU HELP YOUR DOG?

Get your dog active with walks, games in the park or play at home. Reward him with kibbles taken from his meal allowance, instead of snacks. Most importantly, follow the food measures on this pack. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Maize, dehydrated poultry protein, wheat, hydrolysed animal proteins, maize gluten, vegetable fibres, vegetable protein isolate*, animal fats, beet pulp, yeasts and parts thereof, fish oil, soya oil, psyllium husks and seeds, fructo-oligo-saccharides, minerals, borage oil, marigold extract (source of lutein).

*L.I.P.: protein selected for its very high assimilation.

MAINTAINS
IDEAL
WEIGHT

• MAINTAINS IDEAL WEIGHT

Combination of high protein content (28%) and moderate fat intake (13%) that helps maintain an ideal weight. Designed for (Small...) neutered dogs, the nutritional profile is enriched with L-Carnitine and features gut-healthy fibre so your dog enjoys the same volume of food while reducing his calorie intake.

*Compared to maintenance product (Medium Adult)

HOW ELSE CAN YOU HELP YOUR DOG?

Get your dog active with walks, games in the park or play at home. Reward him with kibbles taken from his meal allowance, instead of snacks. Most importantly, follow the food measures on this pack. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Maize, dehydrated poultry protein, wheat, vegetable fibres, hydrolysed animal proteins, animal fats, maize gluten, vegetable protein isolate*, beet pulp, yeasts and parts thereof, fish oil, soya oil, minerals, psyllium husks and seeds, fructo-oligo-saccharides, hydrolysed yeast (source of manno-oligo-saccharides), borage oil, marigold extract (source of lutein).

*L.I.P.: protein selected for its very high assimilation.

Additives (per kg)

Vitamin A: 21000 IU, Vitamin D3: 1000 IU, E1 (Iron): 37 mg, E2 (Iodine): 3.7 mg, E4 (Copper): 11 mg, E5 (Manganese): 48 mg, E6 (Zinc): 135 mg, E8 (Selenium): 0.06 mg - L-carnitine: 200 mg. Technological additives: Clinoptilolite of sedimentary origin: 5 g - Preservatives - Antioxidants.

DIGESTIVE CARE

A PRECISELY BALANCED NUTRITIONAL FORMULA TO SUPPORT OPTIMAL DIGESTIVE HEALTH.

RECOMMENDED USE:

- Dogs prone to digestive sensitivities
- Dogs with poor stool quality
- Large stool volume
- Mild digestive support

DIGESTIVE CARE

MINI

For dogs prone to digestive sensitivity
Up to 10 kg

IMPROVES
STOOL
QUALITY

Available in
1 kg, 3 kg, 8 kg

• IMPROVES STOOL QUALITY

A precisely balanced nutritional formula that helps support optimal digestive health. It contains highly digestible proteins (L.I.P.), a blend of prebiotics and fibers to promote a balanced intestinal flora and help promote optimal stool quality.

*Royal Canin internal study

HOW ELSE CAN YOU HELP YOUR DOG?

Avoid feeding your dog human foods or fatty snacks. Follow the feeding recommendations provided, taking care to establish and follow a daily feeding routine. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Dehydrated poultry protein, rice, animal fats, hydrolysed animal proteins, vegetable protein isolate*, wheat flour, wheat, barley, maize gluten, beet pulp, yeasts and parts thereof, fish oil, soya oil, vegetable fibres, minerals, fructo-oligo-saccharides, marigold extract (source of lutein).

*L.I.P.: protein selected for its very high assimilation.

Additives (per kg)

Vitamin A: 30500 IU, Vitamin D3: 800 IU, E1 (Iron): 37 mg, E2 (Iodine): 3.7 mg, E4 (Copper): 11 mg, E5 (Manganese): 48 mg, E6 (Zinc): 135 mg, E8 (Selenium): 0.08 mg - Technological additives: Clinoptilolite of sedimentary origin: 10 g - Preservatives - Antioxidants.

DIGESTIVE CARE

LOAF

For dogs prone to digestive sensitivity
All sizes

Available in
multipacks of 12x85 g

• SUPPORT HEALTHY DIGESTION

Precisely balanced nutritional formula which helps support balanced intestinal flora and help promote optimal stool quality.

• CANINE CARE NUTRITION PROGRAMME

Providing a healthy & balanced nutrition with the perfect combination of our dry & wet formulas.

INGREDIENTS

Composition

Meat and animal derivatives, derivatives of vegetable origin, cereals, oils and fats, minerals, various sugars.

Additives (per kg)

Vitamin D3: 190 IU, E1 (Iron): 5 mg, E2 (Iodine): 0.3 mg, E4 (Copper): 2.4 mg, E5 (Manganese): 1.4 mg, E6 (Zinc): 14 mg - Technological additives: Clinoptilolite of sedimentary origin: 2.2 g.

FEEDING GUIDELINES

RELAX CARE

A PRECISELY BALANCED NUTRITIONAL FORMULA TO HELP DOGS ADAPT TO CHANGE AND SOOTH THEIR NERVES.

RECOMMENDED USE:

- For dogs in need of support in adapting to changing environments
- For dogs in stressful situations
- For dogs with a nervous disposition

RELAX CARE

MINI

For dogs with a nervous disposition and in stressful situations
Up to 10 kg

Available in
1 kg, 3 kg, 8 kg

ADAPTATION
TO CHANGES

• ADAPTATION TO CHANGES

This precisely balanced nutritional solution with proven efficiency, is formulated with specific nutrients to help your dog feel relaxed in an intense & changing environment.

*Royal Canin internal study

HOW ELSE CAN YOU HELP YOUR DOG?

Nervousness can occur in unpredictable situations, so it's a good idea to follow routines in the everyday life. Try to give your dog enough time to adjust to possible changes. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Maize flour, rice, maize, dehydrated poultry protein, animal fats, hydrolysed animal proteins, maize gluten, beet pulp, vegetable protein isolate*, minerals, fish oil, vegetable fibres, soya oil, cellulose powder, yeasts and parts thereof, psyllium husks and seeds, hydrolyzed fish protein, hydrolysed yeast (source of manno-oligo- saccharides), marigold extract (source of lutein).

*L.I.P.: protein selected for its very high assimilation.

Additives (per kg)

Vitamin A: 15500 IU, Vitamin D3: 1000 IU, E1 (Iron): 54 mg, E2 (Iodine): 4.7 mg, E4 (Copper): 13 mg, E5 (Manganese): 60 mg, E6 (Zinc): 142 mg, E8 (Selenium): 0.13 mg - Preservatives - Antioxidants.

DENTAL CARE

A PRECISELY BALANCED NUTRITIONAL FORMULA TO HELP KEEP TEETH AND GUMS HEALTHY.

RECOMMENDED USE:

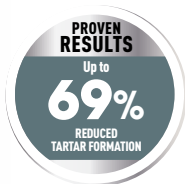

- Dogs prone to dental sensitivities
- Dogs in need of oral health support
- Prevention of tartar and dental plaque formation

DENTAL CARE

MINI

For dogs prone to dental sensitivities
Up to 10 kg

REDUCES
TARTAR
FORMATION

Available in
1 kg, 3 kg, 8 kg

• REDUCES TARTAR FORMATION

Complete nutrition that features a kibble formulated with a specialized texture that polishes your dog's teeth as he chews. The formula is improved with chelators that bind to calcium in his mouth, helping stop tartar from forming. Ideal for longterm use. Oral hygiene plays an important role in your dog's overall health.

*Royal Canin internal study

HOW ELSE CAN YOU HELP YOUR DOG?

It's recommended to brush your dog's teeth daily. Use toothpaste specifically made for dogs, and a suitably sized toothbrush. If you have any questions or concerns about your dog's health, please contact your veterinarian.

INGREDIENTS

Composition

Maize flour, dehydrated poultry protein, rice, animal fats, hydrolysed animal proteins, beet pulp, minerals, vegetable fibres, cellulose powder.
